HALLS IN PULWAMA & SHOPIAN

Nearly three decades after the cinematic experience was brought to an abrupt halt by militancy in the Kashmir Valley, Lieutenant Governor Mr. Manoj Sinha inaugurated two multifunctional cinema halls in Pulwama and Shopian on 18 September 2022. He dedicated these halls to the local youth, expressing his aspiration that this would provide avenues for conducting seminars, training the youth, and generating employment.

To celebrate this joyous moment, he tweeted, “A historic day for J&K! Inaugurated Multipurpose Cinema Halls at Pulwama and Shopian. It offers facilities ranging from a movie screening, infotainment, and skilling of youth.”

This was made possible due to efforts made by J&K’s Mission Youth Department in conjunction with the various district administrations.

It has also been announced that Reasi, Bandipora, Anantnag, Doda, Rajouri, Poonch, Ganderbal, and Kishtwar will also have access to such entertainment shortly.

Only two days later, on 20 September, the local administration also launched Kashmir’s first multiplex designed by INOX in the Sonwar area. It can seat 520 attendees. – [The Times of India](#), [India Today](#)
