### **Accession of the entire Jammu and Kashmir to Pakistan is the only solution to the Kashmir issue: 'AJK' acting President**

*Daily Parliament Times, 24 October 2022*

The acting president of 'Azad Jammu and Kashmir' (AJK), Chaudhry Anwar-ul-Haq has said that the main objective of the government of the 'liberated territory' (AJK) was to provide all-out political, moral, and diplomatic support to Kashmiri brethren who have been fighting against India's 'illegal occupation.' While addressing a ceremony hosted to mark the diamond jubilee of the foundation day of the government of 'AJK', he said that 'accession' of the entire state of Jammu and Kashmir to Pakistan was the only feasible solution to the Kashmir issue. He claimed that the partition of Kashmir was not acceptable to the people of Kashmir, and asked that whether we are fulfilling our responsibilities vis-à-vis the ongoing 'freedom struggle' in Kashmir. While recalling the struggle and sacrifices of the ancestors, he said that our forefathers made unprecedented sacrifices and it is due to their sacrifices that we all are enjoying a free and dignified life in the 'liberated territory' today. He said that the struggle would continue until the entire state of Jammu and Kashmir achieves 'freedom' and becomes a part of Pakistan. He also paid tributes to the armed forces of Pakistan for laying down their lives to protect borders along the Line of Control (LoC).

*Pakistan today, 25 October 2022*

Pakistan's envoy to United Nations (UN) said that the 'primary aim' of Pakistan's mission at the United Nations (UN) is to secure the long-recognized right to self-determination of the people of disputed Jammu and Kashmir. He said that Pakistan had welcomed the secretary-general's statement that the dispute should be resolved based on the UN Charter and the Security Council resolutions which prescribe that the 'final disposition' of the state will be determined through a free and fair plebiscite under UN auspices. Pakistan, he said, will continue to press for the implementation of the Security Council resolutions on the Jammu and Kashmir dispute.

He claimed that the 'rise of fascism' is a

clear threat to the minorities in India and that the rise of 'Hindutva fascism' calls into question India's assertion to be a secular democracy. He said that Kashmiri Americans are best suited to educate Biden Administration to have its understanding to intervene in Kashmir and persuade both India and Pakistan to go back to the point of departure and allow the people of Jammu and Kashmir to exercise their right to self-determination as guaranteed under 18 substantive United Nations Security Council resolutions. The event was attended and addressed by many Kashmiri and people of Pakistan origin including, Dr. Ghulam Nabi Fai, Chairman, of World Forum for Peace and Justice, Irfan Yaqoob, Sardar Zubair Khan, Professor Saeed Khan and Aftab Shah (New Jersey), Razauddin Siddiqui of Makki Masjid, New York among others.

*Pakistan Observer, 26 October 2022*

The Prime Minister of 'Azad Jammu and Kashmir' (AJK), Tanveer Ilyas Khan has 'warned' India that if it dared to attack 'liberated territory' it would face stiff resistance from the freedom-loving people of 'Azad Kashmir.' He said that we are followers of Hazrat Abu Ubayda ibn al-Jarrah, Khalid Bin Waleed, and Muhammad Ibn al Qasim and we will not only defend every inch of our motherland but will also protect the honor and sanctity of our Muslim

mothers, sisters, and daughters in India. He was addressing a seminar jointly organized by the University of 'Azad Jammu and Kashmir' (UJK) and the Jammu and Kashmir Liberation Commission in connection with the 75th Foundation Day of the 'AJK' government. He said that despite all the worst Indian 'atrocities', Kashmiris are continuing their freedom movement with full courage and perseverance, claiming that even today, Kashmiri mothers named sons Burhan Wani and Syed Ali Geelani to show their association and commitment to the 'liberation struggle.'

### **Kashmiris observe Black Day today**

*The Nation, 27 October 2022*

Kashmiris on both sides of the Line of Control (LoC) and the world over will observe Black Day on 27 October to convey a strong message to the world that they reject the 'illegal occupation' of Jammu and Kashmir by India. The day will be marked by a complete shutdown and civil curfew by the people in 'Indian Illegally Occupied Jammu and Kashmir' (IIOJK). The protest marches, rallies, and seminars will be held in 'Azad Jammu and Kashmir' (AJK), Pakistan, and all over the world to condemn the 'invasion' of the territory by the Indian Army on 27th October 1947 as well as revocation of the special status of 'occupied Kashmir' by PM Narendra Modi-led 'fascist' Indian government on 5 August 2019.

The call for the observance of the shutdown and Black Day has been

given by the All Parties Hurriyat Conference (APHC) in a statement in Srinagar and it urged the Kashmiris to demonstrate to the world, that they would not rest till Jammu and Kashmir were 'liberated' from 'Indian slavery.' It urged the global community to give up its criminal silence on the 'Indian brutalities' in 'IIOJK' and take practical steps to force New Delhi to give the Kashmiris their right to self-determination as per the UN Security Council resolutions.

### **Indian minister speaks of annexing Gilgit-Baltistan**

*Dawn, 28 October 2022*

The Indian Defence Minister, Rajnath Singh said that he hoped to have Gilgit-Baltistan (GB) as part of India to complete the mission the Modi government began by 'annexing held Kashmir' in Aug 2019. Mr. Singh is visiting the 'occupied region' to celebrate the landing of Indian forces in the state a day after New Delhi 'allegedly' signed the Instrument of Accession with its Hindu ruler on 26 Oct 1947. Pakistan disputes the narrative. Mr. Singh's claims are linked to a 1994 resolution on Gilgit and Baltistan passed by the Indian parliament when Narasimha Rao was the prime minister, but it also follows two events that ruffled feathers in New Delhi. The first was the unusual visit by Donald Blome, the US ambassador in Islamabad, to 'Azad Kashmir' recently.

The move was followed the same day by German Foreign Minister Annalena Baerbock expressing her country's

concern over the Kashmir dispute. India promptly and sharply criticized the US and Germany for the back-to-back moves. Rajnath Singh, who was advising Russian President Vladimir Putin on the risks of nuclear war the other day, appeared less bothered about the South Asian nuclear rivalry as he said that 'Kashmir and Ladakh are set on a new path of development and prosperity (post- 5 Aug 2019). This is just the beginning. The mission will complete only when Gilgit-Baltistan and areas of Kashmir (under Pakistan's control) reunite with India.'

### **Pakistan has persistently upheld its position on Kashmir and won't budge an Inch: Qamar Zaman Kaira**

*UrduPoint, 25 October 2022*

Qamar Zaman Kaira, advisor to the prime ministers of Pakistan on Kashmir and Gilgit-Baltistan (GB), declared that Pakistan would continue to back the 'legitimate fight' of the Kashmiri people for their right to self-determination. He was addressing an Institute of Regional Studies (IRS) event titled 'A Retrospective Analysis of Kashmir's Accession to India.' He asserted that regardless of their political leanings, all governments and political parties had shown concern over the situation of Kashmiris both domestically and internationally, and they would continue to do so without budging an inch. According to him, there is at least a semblance of

sympathy from Muslim nations on the Kashmir issue, and it is important to unite all nations in denouncing the 'fascist' Indian government's misuse of power in the 'occupied valley.' He claimed that there was no doubt that the blood of the Kashmiris played a major part in keeping the struggle alive as the 'Hindutva' driven state had left behind all the extremes of 'barbarism.'

Kaira urged to keep the youth informed about the government's initiatives for Kashmir and the significance of Kashmir as the unfinished business of the partition to keep them inspired and prevent them from losing hope. Kaira described Kashmir as a human rights issue and asserted that no people could be enslaved in the twenty-first century by using physical force. He continued by saying that Pakistan's major point of contention with India was Kashmir and that Pakistan would continue to back the Kashmiris in their 'legitimate struggle' on a moral and diplomatic level. According to him, Pakistan has never chosen to be the aggressor and will never do so in the future, however, he stressed, Kashmir is one problem for which Pakistan must show its complete commitment and resolution.

**On October 27, Kashmiris will mark Black Day in protest against Indian 'occupying forces:' Former JI leader**

*Jasarat, 25 October 2022*

Muhammad Farooq Rehmani, a former convener of the 'Azad Jammu and Kashmir' (AJK) chapter of the All Parties Hurriyat Conference (APHC),

while speaking at a national conference held by the Kashmir Journalist Forum in Islamabad stated that Kashmiris have never and will never accept the 'military occupation' of India, added that the alleged democratic and secular face of India has been revealed. He claimed that 27 October 1947, was a tragic day because it saw the Indian 'army invaded' Jammu and Kashmir in flagrant violation of the Partition Plan and defiance of the region's sovereignty while posing as a 'fake accession' document. In response to the uprising against India's termination of Kashmir's special status on 5 August 2019, he said, on 27 October Black Day will be observed throughout Jammu and Kashmir. He claimed that India's refusal to withdraw its forces from the 'occupied region' has made it more difficult to carry out the UN's plan for a vote, and added that the 'Hindutva' led BJP government has extended significant Indian laws to Kashmir over the past three years to transform the character of the region's Muslim majority.

**The Kashmiri people are persistently resisting 'Indian violence' and writing a new chapter of bravery: Speakers at a seminar**

*Urdupoint, 25 October 2022*

The people of Kashmir have been writing a 'new history of resistance' that will continue to inspire those who believe in freedom, justice, and equality, according to speakers at a seminar hosted by the Kashmir

Institute of International Relations (KIIR), who also paid tribute to Kashmiris for their decades-long struggle and sacrifices. Altaf Hussain Wani, chairman of the KIIR, and Sardar Atique Ahmed Khan, a former prime minister of 'AJK', among other Kashmiri leaders from both sides of the line of control, spoke at the seminar commemorating Kashmiris' tenacity against 75 years of India's 'illegitimate occupation.' The speakers stressed that leaving the helpless Kashmiris at the mercy of India's 'cruel occupation' would be a farce of justice on the side of the international community, claiming that the 'belligerent occupation' had now essentially switched from Wolfe's first to the second model of colonialism. They claimed that the political and human rights situation in the area had gotten worse since India's 'authoritarian regime' unilaterally decided to annex the territory into the Indian union on August 5, 2019. Since 2019, speakers claimed that the marginalization of the majority population in Kashmir and the 'imperialist policies' such as 'landgrab', 'extermination' of the locals, 'forced evictions', exploitation of natural resources, rampant aggression, 'killings', arbitrary arrests, 'extrajudicial killings', 'forced disappearances', and systematic 'genocide' of the Kashmiri youth by the 'Indian forces' have been normalized.

### **India should be aware that the people of Kashmir would never submit to its forceful occupation: 'AJK' President**

*Jammu and Kashmir Times, 28 October 2022*

The president of 'Azad Jammu and Kashmir' (AJK), Sultan Mahmood Chaudhry said that India had 'illegally occupied' Jammu and Kashmir by stationing troops in Srinagar shortly after the foundation of the 'Azad Kashmir' government was laid on 24 October 1947, under the leadership of Sardar Muhammad Ibrahim Khan. While speaking at a seminar organized by the Pakistan Embassy in Washington, DC, he referred to the Indian 'invasion of Kashmir' as 'unlawful' and claimed that the local population had never recognized Indian rule over the region. He emphasized the importance of finding a solution to the continuing conflict in Kashmir, which had grown to dangerous dimensions, and warned that the region's peace and stability were at risk if it was not resolved quickly.
