### **PM condemns Kashmiri leader Yasin Malik's conviction in 'Fake Case'**

*The Nation, May 24, 2022*

Prime Minister (PM) Shehbaz Sharif has 'strongly condemned' the Indian government for its act of involving prominent Hurriyat leader Muhammad Yasin Malik in a 'fake terrorism' case and urged the world to take note of the Indian government's 'mistreatment of political prisoners', particularly of senior Hurriyat leader. The PM vowed that the government of Pakistan will raise the issue of 'revengeful acts' against Yasin Malik and other Kashmiri leadership at all international human rights forums including the Organization of Islamic Cooperation (OIC), added that fake terrorism charges are a futile effort to silence voices critical of India's 'blatant human rights abuses.' He said that similar to the 'illegal measures' of August 5, 2019, the case against Yasin Malik was also 'unlawful' and pointed out that India was following a deliberate plan to overthrow the 'real leadership' representing the Kashmiris. He claimed that the Indian government, which was afraid of the body of Syed Ali Geelani also feared Yasin Malik, a great symbol of Kashmir.

### **UN should intervene to save Yasin Malik from India's evil designs: APHC- 'AJK' Convener**

*Pakistan Observer, May 25, 2022*

The convener of All Parties Hurriyat Conference-Azad Jammu and Kashmir (APHC-AJK) chapter, Muhammad Farooq Rehmani, has 'strongly condemned' the Indian authorities for creating a 'life-threatening situation' for imprisoned Kashmiri leader Muhammad Yasin Malik by denying him 'fundamental rights' including the right to defend against 'fabricated charges' framed by a partial establishment in Delhi and Srinagar. He further claimed that Yasin Malik and other Kashmiri leaders in Tihar and other jails had been demanding the 'right of self-determination for their people under the United Nations (UN) charter, international law and the security council resolutions on Kashmir. He expressed concern that besides Yasin Malik there were other detained leaders including Massarrat Aalam Butt and Shabbir Ahmad Shah in detention whom Indian authorities want to 'indict and punish in contravention of the basic international law without the right to a due and proper defence. Farooq Rehmani said that India must not be permitted to punish Yasin Malik and other leaders on 'fictitious grounds' to silence the voice of freedom in the 'occupied region' of Jammu and Kashmir.

### **'AJK' president terms Yasin Maliks' 'unfair trial' as the murder of justice**

*Daily Parliament Times, May 25, 2022*

The president of "Azad Jammu and Kashmir" (AJK), Sultan Mehmood Chaudhry claimed that the Indian court has committed a 'judicial murder', through an 'unfair trial' of Muhammad Yasin Malik. The 'AJK' president while citing the legal 'discrepancies' in the trial case said that the entire charge filed by the 'notorious investigation agency', National Investigation Agency (NIA) against Malik was based on 'false and fictitious' charges, added that even Malik's lawyer 'boycotted the trial due to the court's biased attitude.' He said that the punishment of Malik reflects PM Modi's government's 'hostile approach and its aggressive mindset towards Kashmiris.' He said, that he has written letters to the United Nations (UN) secretary-general, world leaders and various parliamentarians urging for the release of Yasin Malik. He further claimed that on one hand, the Indian government was using its state apparatus to 'kill Kashmiri youths' in the 'occupied Kashmir', while on the other Yasin Malik who is a symbol of 'Kashmir's independence', is being 'physically abused' and subjected to various forms of 'torture in jail.'

*The Express Tribune, May 26, 2022*

Pakistan Foreign Office (FO) 'strongly condemned mala fide life sentencing' of Jammu and Kashmir Liberation Front (JKLF) chairman Yasin Malik, issuing a 'strong demarche' to India over its 'abhorrent attempts to defile the legitimate struggle' of the Kashmiri people for their right to self-determination. The country's civil and military leadership also warned India that such 'oppressive tactics' could not dampen the spirit of the people of Kashmir in their just struggle against 'illegal Indian occupation', added that life imprisonment to Malik would provide 'fresh impetus' to the Kashmiris' freedom struggle. As per the FO statement, the Indian diplomat was conveyed Pakistan's strong resentment of the 'denial of fair trial and inhuman incarceration' of Malik in complete defiance of the Universal Declaration of Human Rights (UDHR) and the International Covenant on Civil and Political Rights (ICCPR).
